A Work Session is a Special Meeting of the Council that is generally held in a more informal manner or setting than a business meeting, and where the purposes may be for, but not limited to, the following:

1. To study, deliberate or review one or more topics or emerging issues for potential action at a future date,
2. To vet the status of matters that are intended to be presented on the agenda of an ensuing business meeting unless exceptional circumstances apply,
3. To engage in public comment or dialog, or
4. To participate in presentations with City staff or other subject matter experts.

In general, final votes are not taken at a Work Session, but there are commonly procedural votes on the disposition of various matters.
