July 10, 2008 12:00 pm  
**Legion Hall**  
**216 East Park St.**  
McCall, ID 83638

I. Call to Order

II. Minutes from May 5, 2008 AAC Meeting.

III. Airport Manager's Report

- Noise Reduction and Flying Safety procedures
- Minimum Standards
- Runway Painting- Completed
- Rates & Charges Analysis report to City Council
- Membership Recruitment
- DEW, Granite proposals-tabled by City Council

IV. Current Business

- EA Taxiway "A" Contract details are pending review by FAA.
- USFS Helicopter Parking. The "big ship" USFS has on contract is bigger than they believe they can park in their present spots. They would like to build a dirt parking spot for it on airport property. We will review the proposed location, process they may need to go through, and alternatives such as the airport heliport.
- Designated Parking, EHP area. A hangar owner feels that he is allowed to continue parking his airport car between the buildings indefinitely. Should we allow this, and if not, should there be a charge after a period of time?
- Other Business

V. Next Regularly Scheduled Meeting. Second week in August is suggested.
