1. Minutes June 7 AAC Meeting we approved
2. There was no Public Comment
3. Airport Code Review-was discussed in detail. The revisions that were suggested are provided as an attachment to the September 6 AAC agenda.
4. Lease Rate Analysis- Was discussed in great detail and revisions were made and are included as an attachment to the September 6 AAC agenda
5. Airport Manager discussed comments from pilots regarding the trees on approach to runway 16. It was noted by meeting participants that the PAPI has to be flow high in order to not come too close to the trees. Both the degree of glideslope for the PAPI and the trees as possible obstructions are being followed up upon by the airport.
6. The meeting was adjourned at 2:00 PM.
