Welcome- Meeting was called to order at 6:03PM by Chairman Steve Goodall

Public Comment- No Public Comment

Agenda Review & Updates- Nothing was added to the agenda.

Introduction of Guests: Bill Willey, Gordon Cruickshank, and Mark Billmire

Review minutes from previous meeting: Minutes were reviewed and approved, Deb made motion, Murray second and all in favor.

Business:

- 1. Yard Waste Discussion-** Mark Billmire provided information on yard debris. The hope is more people dispose of it at the free dump station located by the fire station 5/31-6/30, instead of burning. Mark shared burn permits are necessary in city limits from 5/10-10/20 and can be purchased from the Fire Department. Murray suggested an early free dump date due to the fact several people burn before 5/31. Mark shared Cascade inspects piles before burn and issuance of a permit. Currently trying to hire a PT inspector w/ McCall Fire.
- 2. Recycling Discussion-** Valley County Commissioners Bill Wiley & Gordon Cruickshank discussed the county's involvement with current recycling site, Lakeshore Disposal recycle contract with county and involvement with past recycling groups. Steve discussed finding an alternative solution to recycling, curbside is not a feasible choice. Murry would like to see the current recycling become safer, cleaner, and self-sufficient. Bill mentioned a possible unwillingness of Recycling to remain at current site, alternative site at Lake Fork but too far for McCall Citizens. A site is necessary that is more attractive, fenced, sheltered/drive through.

Deb Fereday will invite Lakeshore Disposal to next meeting.
- 3. Green Business Program-** Steve shared there has not been much of a reaction, Murray contacted 17 businesses and experienced some negative response, and Julie spent time with Mountain Monkey Business. Committee sees a need for larger decal stickers. Need to import and updated list of area businesses.

Meeting adjourned at 8:35 PM.
