McCall Public Library- McCall, Idaho

Committee Members Present: Steve Goodall, Julie Thrower, and Deb Fereday

Staff Member Present: Tara Woods

Welcome- Meeting was called to order at 5:35 PM by Steve Goodall.

Public Comment- Julie Murphey, McCall resident and property owner

Agenda Review & Updates- None

Introduction of Guests: No guests present

Review minutes from previous meeting: No minutes to approve

Business:

1. **McCall Recycling-** The committee continued discussion of recycling and recycle survey. Tara shared City Council approval to move forward with negotiations with Lake Shore for curbside recycling. Marcia Witte expressed at the council meeting she wanted it heavily publicized that this would cause a rate increase for McCall citizens. A public hearing will take place in a couple of weeks. Citizens should come prepared to speak/present ideas of favor or against curbside and why.
2. **Payette Lake Water Quality Committee-** Steve informed committee about Big Lake Water Quality committee discussions involving water quality testing.
3. **Noxious Weeds-** Discussion of possible City program involving citizens. Julie would like to coordinate a community weed pull day in late spring/early summer. The committee would like to look into the possibility of grants for private property. Keep on agenda for next meeting.

Meeting adjourned at 6:30 PM.

Next meeting is scheduled for: – October 17, 6:30pm in Library
