

Environmental Advisory Committee

Minutes

October 19, 2017 at 5:30pm

McCall Public Library- McCall, Idaho

Committee Members Present: Steve Goodall, Julie Thrower, Murray Dalgliesh and Deb Fereday

Staff Member Present: Tara Woods

Welcome- Meeting was called to order at 6:13 PM

Public Comment- No public comment

Agenda Review & Updates- None

Introduction of Guests: No guests present

Review minutes from previous meeting: Minutes reviewed and approved.

Business:

1. **McCall Recycling-** The committee continued discussion of recycling and recycle survey; and expressed concern for small survey size. Committee is in favor of holding off on Council making recycling decision until after the 1st of the year, when new council is in place. Would like to get opinions of those running for open council seats and get a better understanding of their opinion on curb-side recycling.
2. **Payette Lake Water Quality Committee-** Steve informed committee about PLWQC (Payette Lakes Water Quality Committee) receiving non-profit status under the McCall Community Improvement Corporation. Committee discussion future plans for the water quality committee.
3. **Green Business Program (Update):** No applications to become a green business in McCall have been collected. Julie suggested updating the application process by creating a "check list" type of application. Contacting local groups such as the Rotary Club and the Chamber of Commerce as potential locations where people can pick up applications- in hopes of reaching more owners. Committee discussed restarting the program in late winter.
4. **Changing EAC Meeting Time:** The committee discussed the proposition of moving the EAC's meeting time to every 3rd Thursday at 12 noon. All were in favor of the change.

Meeting adjourned at 7:30 PM.

Next meeting is scheduled for: – November 16, 12:00pm in Library

Signed:

Attest:

Steve Goodall - Chair

Tara Woods –Recreation Supervisor
