

# GOLF COURSE ADVISORY COMMITTEE

## MINUTES

October 8<sup>th</sup>, 2003

**Attending:** Bob Giles                      Dari McKim                      Hank McCauley  
                 Roger Snodgrass                      Dan Pillard  
                 Marc Rhoades

**Public Request or Comment:** Dari McKim mentioned the following was discussed during the Ladies Golf Association Awards Luncheon on September 17th:

- Request for OB stakes on the south side.
- Ladies Golf Association will help on the golf course once a month during a workday format.
- The ladies requested a rules sheet for tournaments.
- The Ladies would like to see all 27 holes utilized for the two-lady best ball tournament due to slow play using 18 holes.

Marc Rhoades mentioned he would like to see yardage stakes along with yardage bricks.

**New Business:** The committee discussed the golf proposal from Allan Morrison as well as the privatization issue. The committee decided the best way to approach privatization would be to go through the public bid process. This process will assure review of other offers.

The committee will prepare a written recommendation to be presented to City Council for the November 13<sup>th</sup> meeting concerning the future operations of the McCall Municipal Golf Course.

### Old Business:

**Staff Reports:** Dan Pillard reported that preparations for winterizing the course were under way.

Preparations began for the seeding of the wetland areas on Cedar #3 and #7.

Dan mentioned that he would seek an extension of the 404 permit to complete the practice area at a future date.
