The purpose of the meeting was to learn about Valley County's property records for historical research purposes. Tom Kerr described to those present how to access the records on a particular piece of property and how to trace ownership of the property.

Members found the information extremely useful and now will be able to access the information needed for the completion of the historic property inventory.

At Judy Dinwiddie's request, the December meeting will be cancelled, and the next meeting date will be January 20, 2004 at 1:30 pm at the Central Idaho Historical Museum.
