

McCall Historic Preservation Commission
Minutes April 20, 2004

Present: Pat Eames, Judy Dinwiddie, Jill Meyer

Judy called the meeting to order at 1:40 p.m. The minutes of 3/16/04 were read. Jill moved the minutes be approved. Pat seconded the motion. Motion passed.

The progress of the Commission to date was reviewed for the benefit of new member, Jill Meyer. Judy presented a draft of the walking tour brochure. Pat displayed a property map of the area dated 1911, and she has been using it as a research tool regarding the history of the founding of McCall.

Pat informed members of three sources of information that have been valuable to her in her research:

1. The Founding of McCall, Idaho by Frank P. Rowland
2. The Idaho Statesman (articles dated Dec. 17, 1939- January, 1940)
3. An Incomplete History of the Early Days by Peter Preston

Pat emphasized that the early history of McCall cannot be verified using only one source as she has discovered there is a great deal of conflicting information. Pat will provide an outline of information for Judy to use as a guideline for the walking tour brochure.

The next meeting will be May 18th at 1:30 pm. at the McCall Library, Idaho History Room. The meeting was adjourned.
