

Historic Preservation Commission  
Minutes 5/16/04

Present: Marlene Bailey, Jill Meyer, Pat Eames, Carol Coyle

The meeting was called to order at 1/40 pm. The minutes of 4/20/04 were read. Pat moved to approve the minutes and Marlene seconded the motion. Motion passed.

Pat gave a brief report on the recent CLG workshop which was held in Island Park. She said there was a great deal of information presented, and that most of the groups represented had accomplished a wide variety of tasks in their respective communities. Pat recommends that the Historic Preservation members contact local service groups in the McCall community to educate them on the goals of the McCall Commission. She mentioned that Anne Swanson is willing come to McCall to meet with Commission members. Carol will contact Anne and arrange a meeting time.

Pat and Judy had previously discussed the walking tour map and have decided to postpone implementation of the map until more research is done. Pat is currently working on a timeline of the important historic events of McCall, and this information will be valuable in the creation of an accurate walking tour map.

The use of space at the Central Idaho Historic Museum was discussed. The Commission will be able to use a small office upstairs to house Commission materials.

The McCall Birthday will be celebrated on Monday, July 19<sup>th</sup>. Members will discuss this at the June meeting.

The next meeting will be June 16, 2004 at 1:30 pm. The meeting was adjourned at 2:55 pm.
