

McCall Historic Preservation Commission
Meeting minutes 4/15/08

Present: Pat Eames, Marlene Bailey, Jill Meyer, Carol Coyle

The meeting was called to order and a quorum was present. Pat distributed the revised logo design for review. Members provided additional comments. Carol will contact Kristin Eames with the suggested changes.

The minutes of March 18 were reviewed. Jill moved to approve the minutes and Marlene seconded the motion. The motion passed.

Carol gave a report on the Idaho Heritage Trust/Idaho State Historical Society meeting. She indicated that the ISHS is expecting its staff to be out in the field more often so perhaps a greater level of involvement will be seen locally.

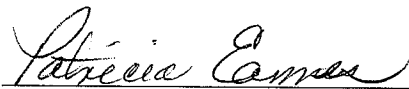

It was reported that Mary Allen and Karla Hambleton went to the Donnelly Elementary School for a museum presentation. Jill reported that she and Mary also presented to a McCall 4th grade class and it was very successful. She also mentioned that the pictures of the Old McCall Jail are on display in the school hallway. It is felt these efforts are helping to meet the goal of increased awareness by school children of the local history.

Carol distributed information on the Ada County Treasures program and suggested it could be a model for a local recognition program. Members agreed to have criteria developed for the local recognition program for the next meeting.

Marlene discussed the Urban Renewal remodel project, and the history for Legacy Park. Mandi Roberts of Otak will be in contact with Pat Eames to discuss.

The meeting was adjourned at 3 pm.
