

McCall Historic Preservation Commission

Meeting Minutes 2/16/10

Present: Bob Fairbrother, Brian Corcoran, Carol Coyle

The meeting was called to order by Brian. There was no quorum, so the approval of minutes of January 19, 2010 was postponed to the next meeting.

Carol discussed the America in Bloom program and described how heritage resources was one of the categories that would be evaluated by the AIB judges. Brian and Bob supported the Historic Preservation Commission's participation in the AIB effort.

Bob mentioned that Nelle Tobias had a collection of historic photos and he said that he believed the photo collection was in Boise. It was pointed out that those photos may be very useful for the walking tour brochure development.

Members reviewed the aerial map of McCall and identified buildings that could potentially be on the walking tour. This will be reviewed at the next meeting.

The next meeting will be 3/16/10 at 1:30 pm.

The meeting was adjourned.
