Old business

Summer Reading: This years' programs went especially well. Almost 2000 hours of reading completed by participants .Fantastic stats! The space is just too small with the huge numbers attending.

McCall's Birthday: Good discussion about all the fun and success of the City events.

McCall In Bloom: The Library was in competition with the Central Idaho Historical Museum, supported by the kids in the P.O.T.S. program who won. Nice contest.

New Business:

Overdues and Fines: Anne is fine tuning the procedure manual for final editing and review.

Inter-Library Loan Policy : This in process.

Policy Manual : Anne has found a format that will display and explain our information well. Now the entry process will begin.

Loose Ends: Jamie Bell has requested we use her e-mail at the High School to contact her. The address is : jbell@msd.org
