New Business:

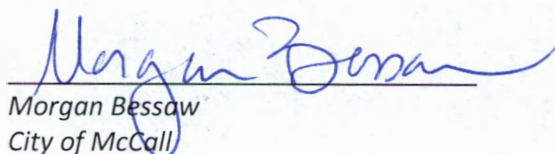

Old Business:

- **McCall in Bloom**
Participation number are down from last year, Committee Members can still actively recruit for partners. The committee should consider updating the MIC brochure for next year to help advertise that the money raised is used for community beautification projects.

- **Secret Garden Tour**
One of the gardens withdrew from the tour and a replacement is needed. Amy spoke to someone who was willing to show their shade garden and Carol will work towards obtaining a garden biography. Gardens will need to decide whether they will be on the morning or afternoon tour by tomorrow so that the map can be finalized. Carol volunteered to invite the Master Gardeners to be docents. Sadie volunteered to finalize the docent list and schedule. Bob Giles and Sandee Dingman volunteered to sell tickets at Bistro45 on Friday evening with Sadie Noah. A final meeting will be held the Tuesday before to arrange last minute details and sign pickup.

The meeting was adjourned at 5:30 PM. The next meeting will be July 25th at 4:00 PM.
