Old Business

- 2017 Festival of Trees –
Committee members decorated a Christmas tree to be donated to the upcoming Festival of Trees event hosted by the McCall Chamber of Commerce. The committee selected Roots, a local outdoor education based pre-school as the recipient for all proceeds garnered by the auction of the McCall Improvement Committee Christmas Tree. The theme was gardening, in recognition of the McCall Improvement Committee's annual McCall in Bloom program. Decorations included silk flowers, pinecones, seed packets, and garden quotes in a red, green, and gold theme.
