

PARKS AND RECREATION ADVISORY COMMITTEE
AGENDA

June 12th, 2007 – Legion Hall – 6:00 PM

I. ROLL CALL AND CALL TO ORDER

II. INTRODUCTION OF GUEST

III. OLD BUSINESS

- a.) Program Activity Guide
The guide is out and available
- b.) Legacy Park Update
The Urban Redevelopment District is still waiting on bids from potential developers for the project.
- c.) Budget 07
The 07 budget is complete. We came out fairly well this year, and the budget will be adopted by council in August.

IV. NEW BUSINESS

RECREATION

- a.) Separation of Committee
- b.) Concrete Rodeo
The Concrete Rodeo will be coming in the next couple of months. We hope to combine it with the grand opening of the skate park. This group travels around the U.S. providing everything for a skate board competition.
- c.) YMCA Boise Skate park contest
The YMCA out of Boise is interested in having a Skate Park Contest in McCall in September. We knew it wont be as large as the Concrete Rodeo, and that might help get more kids in our community to participate.

PARKS

- a.) Impact Fees
We will begin the impact fee study this new fiscal year in October. Once in place we hope this will help generate monies for future projects. LOT, Parks proposal component on the City Code and the parks and recreation master plan are in place. This is just the next step in helping get McCall in the right direction and provide ways to generate monies.

- b.) Rio Vista Boulevard (future development with parks proposal)
Provided the committee with an update of future development. We are not sure when they will be coming before the committee, but we wanted to make sure that they knew it would be coming before them.
