We are starting to work with the local soccer league. We will let them use the ball fields this year for soccer. We will be starting a 3/4 and 5/6 year old soccer this fall and hope it is successful. Skate boarding classes will be starting shortly we have a full class of 10 kids. We have about 100 kids for Monir's Soccer class.

b.) Legacy Park Update

PARKS

a.) Whitetail expansion

Potential project down the road.

b.) Davis Beach

The issue was a phone call on the 4<sup>th</sup> of July. A problem with private docks on public land. Those docks can be used by the public except for mooring. On the gate they have put up a sign that says private dock. The public is concerned that they can no longer use it. We are setting up a meeting with the city and the homeowners to come to a resolution. The committee feels the gate should come down. The homeowners are frustrated that no one has listened to them in years. So we will do that. The next concern is the two roads leading to Davis Beach. We will have long decisions in the future. The Committee suggests having the homeowners to take down the gate right now.

c.) Concrete Skate park Tour
