

PATHWAY MASTER PLANNING MEETING

Meeting Summary

April 20, 2011 – 7:00 p.m.

McCall Public Library

218 East Park Street, McCall, ID 83638

McCall Area Pathway Meeting #5

MEETING – Begins at 7:00 p.m.

Matt Linde from IDPR, Andy Olavarria from Valley County Pathways, and Michelle Groenevelt from the City of McCall were present.

McCall Area Pathway Master Plan

Michelle told the group that staff talked with Harmony Design and Engineering about the McCall Area Pathway Master Plan timeline. The consultants will come to McCall on May 11 to meeting with the Pathway committee. There will just be one meeting in May to meet with Harmony and the sub-committees will continue to work on their subjects. At the May 11 meeting, the committee will decide if we need to meet again in May

The first public charrette for the Pathway Master Plan will be held June 15-17, 2011. Harmony principals have marked these dates on their calendar. Harmony is going to develop a survey to collect additional public comment.

There was some discussion about a federal law related to mobility. Matt will keep the group informed on the issue.

May is National Bike Month

There was discussion about promoting a Bike to Work/School Day. It should be planned for the third week of May (maybe on Wednesday or Thursday). Staff will develop a flyer, Andy will contact the school about a good date, and the group will promote the event. There might be opportunities to get some stickers, bike reflectors, etc. for the school kids.

The meeting was adjourned at 7:40 pm.
