The McCall Water & Sewer Department is hereby requested to (shut-off / turn-on) water service to the referenced property on the date(s) listed above. Service may be discontinued by giving not less than two (2) days advance notice in writing thereof to the Public Works Department. It is further recognized that I am solely responsible for making the water meter accessible for the service. I agree to hold the City of McCall harmless for any damages or injury resulting from this request and to abide with all applicable water ordinance regulations. **Only McCall Public Works personnel are permitted to turn the water meter on/off.** Owner or authorized agent must be present during water turn on service. Please contact Public Works to make an appointment 48 hours prior to the desired reinstatement of services date (meter turn on). I understand there will be no reduction in monthly water and sewer base rate fees while the water meter is shut off. There will be a \$65.00 shut off fee and a \$65.00 turn on fee during business hours only. Water meter must be free from snow/debris to avoid additional charges.

**To avoid an after hour charge of \$50 for water meter shut-off and turn-on,
please schedule during regular business hours**

I have read and agree to the terms of this application
