

Senior Citizens in McCall - October 24th, 2023

Held at the McCall Senior Community Center during a Tuesday dinner service to gauge what this community needs/desires.

- Likes:

Community/Senior Center

McCall Transit

St. Luke's Health and Wellness

Our Savior's health and wellness aka "Cancer Companions"

Walking paths at McCall Golf Club in Winter

- Needs/Wants/Help with:

Collaboration with St. Luke's and the City

Printed Business Directory (available in large print also)

Dedicated Volunteer Services Coordinator

Transportation

- Medical

- Evening/nighttime

- Uber/Lyft/Taxi options

Field Trips

Workout/Exercise Program

Consistency

Affordable (low-cost) resources

More home delivery options from businesses (pharmacy and grocery)

Encourage developers to develop senior-specific housing

Outdoor lights at the Community Center

Connection with local youth and/or others who might be interested in doing household chores/errands for Seniors

Firewood assistance (in addition to Woodstock) (getting it, stacking it)

Classes on technology and computers/phones

Classes about fraud, especially things targeting seniors

Independent living facility (single level)

Any Resources that would help Seniors stay in their own homes longer

Seniors dedicated web page through City of McCall

More Senior friendly ways to spread the word

- Flyers on tables

- Large print handouts and information

Discounted Library card for seniors

- General Topics of Concern (not Senior specific):

Short Term Rentals!

- Density

- Are we collecting enough tax from them

- Enforcing maximum occupancy restrictions

- Needing to take pictures when filing a complaint

- What classifies as an "event" and how are those monitored/enforced

E-bikes

Making sure that trees around the City are safe

Monthly Department Report – City Manager

Code enforcement (particularly with STR but in general)

Would like a centralized calendar on the City's page that includes City and non-City events

Leaf blowers in the downtown

More Lake access in Winter

Would like to see a push for more sidewalks (a collaboration of some kind with ITD to make that happen)

Would like to see the City Council be more political at the State and Federal level.
