FOR IMMEDIATE RELEASE

Travel Advisory for July 1st through 4th: Detour Routes for Cars and Camper Trailers to the East Side of Payette Lake and Ponderosa State Park in McCall, Idaho

McCall, Idaho – June 29, 2023 - As the Fourth of July approaches, the City of McCall would like to inform travelers, especially those with camper trailers, about detour routes to the east side of Payette Lake and Ponderosa State Park. Due to ongoing road construction on certain sections of the main route, it is essential to plan ahead and use alternate routes to ensure a smooth and enjoyable travel experience.

Krahn Lane and Spring Mountain Ranch Roads will serve as the recommended detour routes for those traveling to the east side of Payette Lake or Ponderosa State Park. These alternative roads will allow visitors to bypass multiple construction zones and reach their destination with minimal disruption.

Krahn Lane, located just off Highway 55, provides a convenient alternative for those heading towards Payette Lake's east side or Ponderosa State Park. Similarly, Spring Mountain Ranch Roads offers a well-maintained route that ensures a pleasant journey. Travelers can enjoy picturesque views of the McCall area as they make their way to their desired destinations.

While these detour routes have been carefully planned to accommodate cars and camper trailers, it is advisable to exercise caution and adhere to all traffic regulations. Please observe speed limits, be mindful of fellow motorists, and follow any posted signage. These measures will ensure the safety of all travelers and minimize congestion on the alternate routes.

The City of McCall appreciates the cooperation and understanding of all visitors during this period of road construction. The improvements being made will enhance the overall travel experience for residents and tourists alike in the future.

For additional information and real-time updates regarding road conditions, please visit our official website at www.mccall.id.us or text "roadworks" to the phone number (208) 271-9002.

We wish everyone a safe and pleasant Memorial Day weekend filled with unforgettable experiences in our beautiful City of McCall!
