*** Please indicate whether your children under 18 have your permission to use the Internet after reading the following statement.**

The McCall Public Library will not deny or limit access to information available via electronic resources because of alleged controversial content or frivolous value, with the exception of the policies created to meet the provisions of Idaho Code 33-2741. Parents must be responsible for providing guidance to their children; it is not the role of the library staff to do so.

Anyone who abuses the library's regulations for Internet use will be denied future access to the internet. Complete regulations are posted near the computers.

Please let staff know if you do not wish to allow use of photos/recordings from Library events.
